

Portable Delivery System

Standard

Part number: A121537

with scaler and curing light

Part number: A121538

Standard Features

- | | |
|-------------------|--|
| Aluminum case | Low/High speed switch |
| SE tip | 1 doctor's syringe |
| Clean/Dirt bottle | HP tubing |
| Operation panel | 1 LED curing light (Not included in standard configs) |
| Foot control | 1 ultrasonic scaler (Not included in standard configs) |
| Air tank | |

Specifications

Voltage	AC110~240V+10% 50/60+1Hz
Power	600W
Compressor Air Flow	≥50L/min
Compressor Air Pressure	0.55MPa
Noise	40dB
Size	16.1X10.6X24.0 inch
